Regional Enhancement Millage Renewal Proposal

Pursuant to state law, the revenue raised by the proposed enhancement millage will be collected by the Wayne County Regional Educational Service Agency and distributed to local constituent public school districts including eligible public school academies within the boundaries of the Wayne County Regional Educational Service Agency based on pupil membership count.

As a renewal of authority which expires with the 2021 levy, shall the limitation on the amount of ad valorem taxes which may be imposed on taxable property in the Wayne County Regional Educational Service Agency, Michigan, be increased by 2 mills ($2.00 per thousand dollars of taxable value) for a period of six (6) years, 2022 to 2027, inclusive, to provide operating funds to enhance other state and local funding for local school district operating purposes? It is estimated that 2 mills would raise approximately $90.4 million when first levied in 2022.

The revenue from this millage will be disbursed to public school academies within the boundaries of the Wayne County Regional Educational Service Agency which are eligible to receive enhancement millage under the Revised School Code and the following school districts:
