Computer and Small Electronic Community Recycling Day

Saturday, May 9, 2015, 10am - 2:00pm
St Joan of Arc School
St Clair Shores..... Rain or Shine.....

Have an old computer or other electronic that is unused and in your way?

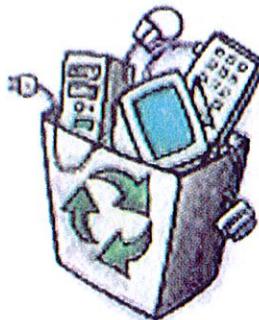

St Joan of Arc wants you to collect those old electronics and help our school! We are asking for a **\$5.00 donation per family**. All proceeds will be collected by and given to our school benefiting our Energy Saving Projects. Our St Joan community has an inexpensive opportunity to safely and properly dispose of computers and small electronics. Computer Recyclers, a Michigan firm works with many other schools and non-profits. They will collect our product at no charge! They also guarantee that no component will end up in a landfill.

Items Accepted for St Joan of Arc Community Fundraiser:

Desktop PC's and Workstations	Notebooks, Laptops, and Tablet PC's
Monitors LCD (Flat Panels)	Printers; Both Ink and Laser
Keyboards, Mice and Scanners	Laptop Bags
Ink Cartridges New and Used (Please bag leaking cartridges)	Phones; Cell, PDAs Business, and Home
Video and Projection Equipment	Audio Equipment (Stereo Receivers, Speakers, Etc)
Calculators; Desk and Handheld	Cameras; Both Old Style and Digital
Computer Drives, CD, DVD, Hard, Floppy	Home Media, Servers, External Hard Drives,
Misc Electronic Small Items	Cord/Wire; Computer, Electrical, Cable
	Small Household Appliances: Toasters, Irons, Etc)

WE DO NOT ACCEPT TELEVISIONS!

Electronics contain many hazardous materials that can contaminate groundwater if placed in landfills. They also consist of valuable resources, such as precious metals, copper, and engineered plastics, all of which require considerable energy to process and manufacture. Recycling electronics recovers valuable materials, rather than manufacturing them, conserves natural resources, and results in lower environmental emissions (including greenhouse gases). Do Your Part! All hard drives collected at this event will be destroyed, NO CHARGE!
