Approval of Minutes

Approval of draft minutes of the September 8, 2020 Harbor Committee regular meeting motion by Kratz, seconded by D'Hondt; unanimously approved.

Harbor Master Report

Krolczyk reported that all dock guards were installed on decks between wells #123 to #127 replacement decking was ordered and should be delivered soon. Approximately \$100,00.00 has been received in rental deposits for 2021. Krolczyk informed members that newly designed back flows will be installed on the wells replacing existing. Krolczyk will check into the details of winter boat storage at the GPW Lake Front Park and email that information to committee members. Ritter thanked Krolczyk for getting the dock guards up and also stated from his observance, that GPYC has been neglecting weed pick up in our harbor. Krolczyk will contact GPYC regarding same. Schroder was approached by the GPYC harbor committee about long-term leasing of any unused resident wells in our harbor. After a long discussion, committee members were in agreement that they would offer GPYC an opportunity to lease all our unfilled resident wells on an annual basis at two times the going rate, and at an "all or nothing" proposal.
